These were taken as agreed.

3. Presentation by Lisa Johnson and Tanya Downes of Brakes (Sysco)

A copy of this presentation is attached with the Minutes.

4. TUCO Academy (Sarah)

Sarah and Camilla have been very busy with compliance courses. An example of the value of compliance courses that the Academy runs includes the Level 4 Food Safety qualification which is only £99! This can cost upwards of £450 elsewhere.

As well as compliance courses, we are still doing soft skills such as Finance for Non-Finance Managers. We also have Report Writing and Presentation Skills this month. Just as a reminder that anybody from the university can attend courses not just the catering staff, the university is a member so anyone employed can use the CPD opportunities. We are looking at delivering webinars for juniormanagers and team leaders as we have had feedback that, with the middle level of managers which has been removed in the last few years, there is some developmental need for skills and confidence at the lower level. Topics for this includes an Introduction to Leadership, Communication, Delegation & Feedback and Conflict Resolution etc.

This will be CPD accredited and will help managers improve their skills with their direct reports. On 14th November there will be a course for Visual Merchandising and Customer Skills to be held in Manchester with a Christmas twist. There will be a further one held in London on 17th April.

Study Tours include:

Food to Go in Leicester and Frankfurt – April.

Colombian Coffee Study Tour – 11th May.

South Korea including Student Conference – 18th to 26th May

London Street Food and Food Court Tour

Italian Wine, Beer and Olive Oil Tour – September

Forest Green Rovers – all players have plant-based food and the stadium is totally green

NACUFS Conference in July in Kentucky

We recently held a meeting with the Academy Steering Group on the 28th of September which will help form the basis of a business plan.

Sarah is looking for venues for the Winter Conference in 2024. This year the theme is the Cost of Living Crisis. Harper Adams will be delivering a session on Food Waste and we will finish off with 'The Flygerians' who will present to us on their Nigerian Street Food as well as making some canapes for the pre-Conference dinner. There will be a study tour following the Conference.

5. Sustainability

Matt Tebbit (Reading) and Annabel Hurst (Cardiff) are helping Jimmy from NetPositive with the reporting platform which will be completely free to members who are adopting the 24 principles and have pledged. We are hoping to share the online learning system with the CIA. Several members are currently on the Worlds of Flavor Study Tour and will be visiting Berkeley University later today.

6. TUCO Online

Stuart asked if there was any update on the TUCO Online Ordering Portal which Nottingham had been trialling.

7. Forum Activity

There has been a lot of activity on there over the last few days.

8. Framework Update

Procurement reports available on our website include the UKUPC Impact Report, which goes across all the UK regional purchasing consortia, supplier market reports and TUCO Intelligence Q3. Value for Money Reports for members are out now.

Regarding tender activity:

Hot Beverage SQ returns are currently being evaluated and the new agreement is due to start on 1st March 2024. Any contracts due to terminate between 6th January and 1st March should be extended.

Convenience Retail is at the research & strategy stage. Tender to be released January 2024. Kim Ashley has asked members for any suggestions for inclusions on this.

The DipChem retender is due to get underway late November.

The Food Waste DPS has been extended until 31st October 2024.

The Greenhouse Gas Calculator is a new DPS. The SQ is now open for supplier submissions and will close in January.

Alcohol – returns are due back from suppliers on 8th December. The current agreement will have a short extension applied whilst the retender is being done – until 14.03.24 (original end date 15.01.2024).

Catering Light and Heavy went live on 10th July.

New suppliers have been added to the EPOS & CICS DPS agreements (please see framework report and website for details)

Contract review meetings have been held since the last meeting (Catering innovation and concept solutions, Convenience Retail, Fresh Fruit & Vegetables, Vending , Soft Drinks & Sandwiches). Fresh Fish will take place later this month. The minutes for all meetings are available on the framework landing page.

Tender Working Parties –there are various vacancies. Kim is looking for someone to represent the Midlands on Convenience Retail.

Brand Owners

Twinnings and Pukka Tea have some good new teas and tea recipes with food pairing.

McCains have funds available for members wishing to run promotions around their new cheese products.

Unilever – Ben & Jerry's are looking to provide support to members on their Ben & Jerry's Scoop Shop.

CCEP – we have circulated the presentation made at a regional meeting by Adam Bostock.

Kim Ashley is writing an article for the magazine about the cocoa supply chain so would any members have any questions for suppliers such as Cadbury, Tony's Chocolonely etc.

We currently have a survey out to collect information on the number of food outlets within institutions post-COVID.

We are looking for a digital menus solution to link up with TUCO Online with a view of a provider being in place by December.

The TUCO New Product Development page is back after the summer break where you can sample new products. It is updated monthly.

9. TUCO Board Update

Amanda reported that the last Board Meeting was held in September.

Most members seem to be still struggling with staff recruitment, mainly with middle managers and chefs, who do not feel recognized. TUCO are putting together a promotional video to encourage people into the hospitality industry. These videos will be white-labelled for our members to personalize. At Nottingham, Amanda plans to extend this to the Estates and Facilities Department.

Regarding summer conference, we are struggling for venues who are able to accommodate us. Requirements include 450 en-suite rooms, 2000 m² of exhibition space or room to erect a marquee, conference room for 250 guests. Amanda asked if anybody could accommodate this Summer Conference next year will be held at Exeter.

Member Engagement

Litmus Partnership will be contacting members with a survey and Amanda urged members to complete this.

Chefs' Forum

Graeme Collie, from King's College London, who is leading on this, has now put the strategy together.

TUCO Foundation

This will be the application for charity status and we will have to have a separate set of Board Members for the Foundation Board. This will mean increased tax benefits for charitable status.

Board and Finance

Kate Glynn from Aston has now stepped down from the Board and Alan Riddell from St Andrews will be retiring at the end of the year. Graham Paterson (Strathclyde) and Peter Anstess (Sheffield) joined the Board earlier this year. There will also be a new Board member in January.

Winter Conference will be held in Kent on 6th December.

Competitions – we do not have a venue yet for easter 2024.

Financially we are in a good position as we budgeted to make £270K and the actual total was £322K.

Amanda asked how TUCO members are doing on the business front. Wolverhampton have gone from £20 million in the red to breaking even but they are down on numbers of international students, however their Conferencing is doing really well. Staffordshire are down on student figures and all departments have been asked to make 10% cuts. Louise is currently looking at what she can do in Catering. Nottingham had not re-opened some outlets after the summer. At Loughborough student numbers in catered halls have been really strong. They are not yet back up to where they were in 2018/2019. They currently

have a lot of construction and demolition going on. They have taken the decision to increase pricing on their delivered catering.

10. Member Updates

Birmingham

Successful IBSA Games (World Blind Games) over 16 days in August. Great event for UOB to host.

Busy start to new term which is great to see.

Opened new Japanese outlet – Kimiko run by a 3rd party provider.

Revamped a unit into a desert shop initial feedback is its working well and has increased takings in this site.

Removed beef from student facing menus in relation to student feedback on plant-based menus.

Two successful open days – October and November.

Harper Adams

Catered halls are down but Retail and Commercial are up 35%. Conference business and delivered catering has never been busier. The VS has launched a new strategy and a new academic direction. There is a big push to get the name of Harper Adams out there and they are working on new Christmas wreaths. Problems with Coke mean that they are buying more from Pepsi. Their café business is up 35% mainly from smoothies, frappes etc.

Warwick

They are back to being very busy. Food development is going on around the world of non-processed food. They have two new mobile outlets – Red Rocket Airstream and an H-Van re-purposed with the name of SPUD. There has been sustainability work going on on the Conference site with a company called Greengage. They currently have a number of bee-keepers on campus. Christmas is looking very busy but Easter is mixed at the moment. Sales of pizzas seem to be very busy at the moment.

Newman University

They have been flat on numbers but have launched their school of nursing this September which has been over-subscribed. Accommodation is fully back and Retail and Catering are up 30%. Conferencing is double over last August. The biggest sellers are hash browns, sausage rolls, regular chips and lattes. They are also doing streetfood bowls which are proving popular, one meat and one vegan.

Leicester

A record number of students joined in September. They are getting to grips with their social value portal and have moved away from NetPositive. Hannah is working with Anthony on a couple of tenders.

Staffordshire

They won a Sustainability Award in September. They have introduced 'Too Good To Go'. The cuts within some hospitality departments will be quite challenging on Louise. They have introduced Spoonfed which is going down really well. They are also introducing Magic Stamp for loyalty cards and vouchers. They have hosted their new Food Festival for their students with 40 suppliers.

Loughborough

Sustainability is a big focus. Dan has been looking at more back of house but now moving to more front of house. Tchibo have refurbished one of their coffee counters. They have pledged to Menus of Change and their new chef is looking at where they are at with that.

Wolverhampton

They have just started 'Too Good To Go'. They are bringing Chicago Town concepts into the Grab and Go outlets. They are looking at ProcureWizard along with the delivery system as they do not link up. Stuart mentioned the problems with middle management. Lower levels are starting at £12 per our so there is very little pay gap between the levels.

11. Any Other Business

TUCO Online Ordering Portal:

Hannah announced that there will be some communication coming out in the next couple of weeks.

12. Date of Next Meeting

Tuesday 5th March 2024 at Nottingham Trent University.

Future meeting and regional engagement :

The Members were asked how we, as the Midlands Region could assist in raising the attendance at meetings and if a residential meeting in the spring would be welcomed to enable an in-person attendance with a possible visit to a University Farm.

The initial response was very positive as this meeting had members who had to dip in and out due to work commitments and the regional networking was missed.

About TUCO's framework agreements

We currently use 3 types of procedure under Public Contracts Regulations 2015

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

FCS

TUCO's Further Competition Service

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

TUCO run FCS across the TUCO agreements

Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.

Offering more value for members

After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.

The benefits

The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.
