
Mixology Masterclass with University College Birmingham

Thursday 20th February 2020

- Intro

University College Birmingham has a dedicated mixology suite and this practical training day will cover Innovations in Mixology, including an introduction in sensory knowledge a Spirit Masterclass, Cocktail Masterclass and Wine pairing for restaurant service. It is an ideal preparation for the TUCO Competitions or for those wanting to revitalise their drinks knowledge and skill.

The day is aimed at Bar supervisors, team leaders and aspiring bar managers and anyone with responsibility for business development in this area. It is also a perfect training opportunity for any members who are taking part in the TUCO Bar Skills Competitions

- Venue

Summer Row Campus, University College Birmingham, Summer Row, Birmingham B3 1JB

Please note that there is no onsite parking for Summer Row Campus, however Parkopedia as a good resource for finding parking. There are also couple of carparks within a 5-minute walk. Equally we are within 15 minutes' walk of snow Hill, New street and Moor Street stations.

Delegates should report to reception and meet Emma Simpson.

Please see below for further details on reaching the venue. (walking and driving maps).

- Timetable

The day starts at 10am and will finish by 4pm. Please aim to arrive at UCB in time to sign in for the course and locate reception. Arrival refreshments and lunch will be provided.

- Important Requirements

- Please let us know if you have any special access or dietary requirements so we can ensure we cater for your needs throughout the day.
- We advise you don't drive as there will be alcohol tasting and sampling throughout the day including wine pairing at lunch
- Please bring with you (on paper) your signature cocktail.
- Please note that the dress code is smart casual
