TUCO North East Regional Meeting

Thursday 6th June 2019 at TUCO HQ

MINUTES

Attendees:	Peter Anstess [Chair]	Sheffield
	Anjali Dattani	TUCO Marketing
	Ian Glover	Newcastle
	Mike Haslin	TUCO CEO
	Steven Hogg	Newcastle
	Carys Hopcyn	TUCO Contracting
	Judith Hoyle	TUCO
	Brian Jones	TUCO Business Development
	Joanne Jordan	Leeds
	Sarah McLoughlin	TUCO Academy
	Freda Moulds	Sheffield Hallam
	Mark Mullaney	Hull
	Hannah Myton-Wright	TUCO
Apologies:	Craig Pendlington	Newcastle
	Sharon Swales	Leeds Beckett
	Julie Tong	Leeds
	Mark Agar	Leeds
	Julie Blenkarn	Hull
	Michaela Booth	Huddersfield
	Nick Burdett	Leeds College of Music
	Lesley Carden	Leeds Beckett
	Rachael Devlin	Durham
	Richard Greensmith	Derby
	Victoria Johnson	Leeds Beckett
	Linda Joyce	Durham
	Anita Northing	Leeds Beckett
David Parker	Leeds Beckett	
Chris Whaley	Lincoln	

1. Apologies for Absence

Apologies were as above.

2. Minutes of the last Meeting and Matters Arising

The Minutes were agreed as a true and accurate record of the last Meeting.

3. Presentation by Mike Haslin, TUCO CEO

Mike gave an overview of company activities, a copy of which is attached to these Minutes.

4. Presentation by Brian Jones, Head of Business Development

Brian is visiting members to try to understand their operations and what makes them tick. He has found a mixture of long time members and new ones who do not know very much about TUCO. Mini-competitions are currently very high on the Agenda. More and more frequently he is coming across suppliers who are not fully reporting the spend. One supplier was missing around £500K to £600K on one framework alone. Moving over to TUCO Online in the future will render this completely transparent. Brian, and his Business Development Manager Mark Gallant are trying to get around to seeing everybody in due course. Mike explained that we are very conscious that a lot of our members come to us (ie with Competitions, Conference etc) so we wanted to build that greater engagement by going to their place of work and listening to their views.

5. Contracting Update

Contract Review Meetings (since March 2019)

13th March – Hot Beverage

19th March & 16th April – Fresh Meat & Poultry

Notes from these meetings will be uploaded to the TUCO website in due course.

Forthcoming Contract Review Meetings

None

Framework Updates

Kitchen Equipment Maintenance, Kitchen Deep Clean and Ventilation Cleaning Services:

The DPS will be awarded on 1st April 2019. DPS has now been re-opened and will remain open to new and previously unsuccessful bidders to apply. Second stage ITT templates are available to members who wish to use the agreement. By law, the second stage must be carried out in order to appoint a supplier.

Meat & Poultry: Significant increases in pork products due to market shortages:

The pig market has suddenly shot up in price due to increased demand from China. For the last 2 years slaughtering in Europe has been extremely difficult, farmers in Germany have been reducing their herds with approx. 100,000 pigs per week down.

The Chinese market has been hit with African Swine fever and are having to find raw material around the world to cover the shortfall in their home production. Due to the size of the Chinese market a slight issue in supply at home means massive orders being placed around the world. Both the Dutch and Germans have seen much bigger orders this year from China and this has pushed up both primal prices and the pig price.

Alcohol: The contract strategy is being drafted up.

Catering Light & Heavy Equipment – Hannah is working with Lynn at Eco-2-Go to help members in securing branded cups and boxes for the new academic year. By placing orders early, unit prices will be reduced. Orders need to be placed by end of April. Speak to Hannah for more details.

Fresh Fish & Seafood: no updates since last meeting.

Innovative Food & Drink Concepts no updates since last meeting.

GROCERY, FROZEN & CHILLED: This framework went live on 1st April 2019, Buyers Guide etc can be downloaded from the TUCO website. Please see the Framework report for the list of suppliers on each Lot. Note to members that there is a mix of regional and national suppliers. This is the one which the North East is using the most so now would be a good time to do a mini-competition.

DIPCHEM: The tender process will commence this year. The tender strategy document will be ready by the end of May.

Bidfood has requested a price increase for March, which has been agreed.

Please note that Bob Crosby Agencies Ltd have recently gone into liquidation and have been delisted from the DIPCHEM framework agreement.

Milk & Bread: no updates since last meeting.

Soft Drinks:

Bidfood has requested a price increase for March, which has been agreed.

AGBarr Also attached is a competition for their chance to win £500 sports sponsorship for their University sports team. For an entry in the draw to win the site will need to have 25% uplift on Irn Bru sales vs LY. The promotions suggest 2 for £2 sell out, when sites have run that promotion in the past they have achieved min 25% uplift. New sites can enter the draw if they stock Irn Bru over the promotional period.

Vending – TUCO can carry out further competition for your vending needs.

Sustainable Food Waste Management Services – PKL Group (UK) Limited have expressed interest in the agreement.

Biffa are currently completing the DPS route.

Specialist Vegan and Vegetarian Food Supply – New framework

This is a new framework agreement which is scheduled to commence mid-April 2019. The tender process closed to suppliers on 18th January 2019. Returns have been evaluated and sampling carried out on both Lots during March 2019. The recommendation was submitted to the Tender Working Party in March and an intention to award letters were issued to suppliers at the end of March. There are three lots that sit under this agreement:

- Lot 1 Specialist Vegan & Vegetarian Pre-Packed Foods & Ingredients
- Lot 2 Grab and Go
- Lot 3 One Stop Shop

Regional Commodity Champions required:

Temporary Structures

Kitchen Equipment Maintenance

Waste – Peter kindly volunteered to sit on the TWP for this

Both the Alcohol and DipChem frameworks are currently Work In Progress.

We are doing independent benchmarking which Hannah will report on at the next meeting.

No Contract Review meetings are scheduled now until November

Vegan and Vegetarian framework : one of the suppliers on there, Vegetarian Express, gives you access to their seedback tool, which is highly recommended.

Sheffield Hallam have just started working with a concept called Too Good To Go which, although you are selling food at next to nothing, it is an excellent marketing tool and a goodwill gesture.

Hannah advised members that we have had some samples in from Carlsberg who are re-branding some of their products. She asked for feedback on the Beavertown to see if it is commercially viable.

Questions for members

- 1) Looking into creating a new agreement for retail to follow the expiry of the Confectionery framework in November 2019. The new retail agreement may cover both food and non food categories as well as traditional confectionery lines.
 - a. Interested in member's suggestions for categories/products to be included.
 - b. Interested in TWP volunteers

Sustainability

TUCO Sustainability group – The last meeting was held at University of Chester on 1st May to look at the Biohitech waste system.

NET Positive Update - We now have **118** TUCO suppliers registered on Intend (of a total 209 TUCO suppliers). This means **56.46%** of our suppliers are now signed up. Of these 118 suppliers, **67.42% are SMEs**.

Palm Oil Research and Accreditation.

Following the TUCO Palm Oil event which has received over 1000 hits on the website, EFECA are researching TUCO suppliers in the foodservice area, on 29 suppliers. The information gathered from this research is imminent and will be available to members upon completion. The event is initially for suppliers however will be opened up to members during May.

RSPO Accreditation for members. TUCO are working with RSPO to carry out 3 pilot accreditation schemes with Chester, Cardiff and Winchester. TUCO will oversee how the accreditations are set up, monitored and completed to enable roll out to other members. Chester have completed and are ready to go but Cardiff have not yet started.

Modern Slavery Awareness Event for Catering Suppliers.

This event is to bring catering suppliers together to discuss in an open, transparent and non-judgemental way, how suppliers can collectively tackle the issue.

The event will be held on 13th June 2019 at Barnes Wallis Building, The University of Manchester, Sackville Street Campus, Manchester.

Presenters:

Introduction: Sheri-Leigh Miles (Director NETPositive Futures Ltd)

Context: Mike Haslin (TUCO) and Ian Jarvey (MU) to briefly discuss their respective approaches to modern slavery and the desire to discuss in an open, transparent and non-judgemental way with suppliers to collectively tackle the issue.

Session 1: NETPositive will talk about the joint supply chain mapping exercise that she undertook last year with both MU and TUCO. Reflecting in the reasons, issues and challenges and re-iterate why buyers see this as important and how working together makes dealing with the problems easier.

Session 2: TUCO supplier (TBC) providing a supplier insight into managing, assessing and reporting on their supply chains. The benefits of doing this and being able to share this openly with their customers.

Session 3: Damian Dallimore (GMCA Programme Challenger Lead). Challenger is Manchester's multi-agency unit to tackle organised crime, slavery and human trafficking. Damian will outline the problems in a Manchester context –how the city investigates perpetrators, supports victims and is also harnessing business support through the GM Modern Slavery Business Network.

Session 4: David Hansom (Partner Clyde & Co. LLP) will talk about how businesses can use terms and conditions in contracts not just to protect themselves legally but also to help drive better practice and enhance transparency.

Close: Sheri-Leigh Miles (Director NETPositive Futures Ltd)

For each of the presenters we will have on hand some pre-prepared questions for the Q&A sessions.

6. Academy Update by Sarah McLoughlin, Head of Academy

Sarah gave a detailed overview of Academy activities, a copy of which is included with these Minutes.

7. Marketing and Communications by Anjali Dattani, Marketing Manager

Anj explained that her responsibilities include the website, Academy, Research and Reports, Case Studies etc. On Thursday 13th June we are holding a free event at the University of Manchester on Modern Slavery which will be attended by both suppliers and members. She is currently working on a complete overhaul of the website and will have the Academy stuff launched over the next few weeks. There will also be a forum on there for ideas, chat, requests for information etc.

We are now looking ahead to our Conference in July – as well as the electronic versions, on our stand there will be hard copies of our Annual Report and Global Food and Drinks Trends. The Winter Conference will be held on Wednesday 4th December at Cardiff University. There will be a networking dinner the night before and a short study tour following the Conference. Sadly, our magazine editor Morag Wilson recently passed away so we now have a new editor, Liz Jones. Please send any news stories through to either Anj at Anjali.Dattani@tuc.ac.uk or Liz at liz@h2Opublishing.co.uk.

8. Regional Hot Topics and Institution Projects

Sheffield

Peter explained that term time ends at Sheffield on Friday 7th June. They are very much intertwined with TUCO Online, so Mike explained that we will be recruiting a technical person who will be called 'Head of Digital Services' to help members with the integration of the system. Their finance system at Sheffield was SAP but as a limited company with Unicus they run Sage and do a monthly upload to SAP. They are tightening up their buying lists and are looking to do something in conjunction with Sheffield Hallam and will be running a mini-competition. Student numbers and applications for accommodation are lower than they would like them to be and as from September, they will have no catered accommodation whatsoever. They will probably be around 85% full. They recently had an Efficiency Review with a consultant from Litmus coming in for the day. Following the demise of Palmer and Harvey, they have been working closely with NISA and so far this has proved very successful. A large number of international students have been coming in so on the whole, trading is up. Three people from Sheffield will be attending the Conference in York in July, including Peter and his Line Manager.

Newcastle

Student numbers have been static over the last year with general spend being slightly down. They have done two major re-fits this year with one unit planned to be plastic free from 1st July. This is proving difficult with regard to condiments. Nothing will be individually wrapped and allergen information will be displayed on the side. In one unit they will get rid completely of single use cups. Customers can purchase a Starbucks-style re-usable cup for £1. They have a 20 pence discount for drinks in re-usable cups and staff reserved the right to refuse to serve anyone with a dirty cup. They can choose to pay £1 for a re-usable or £7 for a good quality Keep Cup. They burn all their waste in its entirety. They also offer a 20 pence discount for food served in re-usable bamboo containers. Craig commented on the difficulty in recruiting good chefs and how the necessary skills are just not taught in colleges anymore, despite the HE sector offering good pay and much more sociable hours.

Leeds

Student numbers are encouraging with lots of international students which has meant that spend on campus is also increasing. This year they have refurbished one of their oldest cafes. They have also opened a new café in a new building called the Nexus Building. They are aiming to have as few plastics as possible within their outlets. They also have a Five Year Action Plan for Sustainability and have a target to be plastic free by 2020. They are reviewing their loyalty offer and will use MCR to do this. On the subject of Food To Go, they have a CPU which produces sandwiches, paninis etc.

They will be looking to re-tender their Meat and Poultry and asked other members which suppliers they were using. Sheffield use a local supplier and Newcastle use Freemans off the TUCO framework who are very local to them. They also intend to do a mini-competition on the frozen.

Peter commented on CCE and reminded members that you get a better rebate by going direct via Coke than you do through Selecta.

9. Any Other Business

There was no further business.

Lee Walker from DPS came in to do a short presentation on their light equipment. This was followed by lunch at the University of Manchester's Street Food Market.

10. Dates and Venues for Future Meetings

- Wednesday 6th November Leeds Beckett
- Spring 2020 Young's Grimsby?

We have also had offers to host meetings from the following suppliers :

- Unity Wines, Wakefield
- Fresh Fayre, Leeds

About TUCO's framework agreements

We currently use 3 types of procedure under Public Contracts Regulations 2015

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

FCS

TUCO's Further Competition Service

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

TUCO run FCS across the TUCO agreements

Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.

Offering more value for members

After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.

The benefits

The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.

Alcohol

Supply and distribution of **Beers & Cider (Lot 1)**, **Spirits & fortified Wines (Lot 2)** and **Core Wines and all wines (Lot 3)**
