	Jon Broadhurst	Sheffield Hallam
	Lyndsey Gallagher	Leeds Beckett
	Richard Greensmith	Derby
	Steven Hogg	Newcastle
	Judith Hoyle	TUCO
	Joanne Jordan	Leeds
	Linda Joyce	Durham
	Sarah McLoughlin	TUCO Academy
	Hannah Myton-Wright	TUCO
	Darren Procter	Sheffield Hallam
	Sharon Swales	Leeds Beckett
	Julia Taylor	Newcastle
Apologies:	Julie Tong	Leeds
	Chris Whaley	Lincoln
	Anna White	Newcastle College Group
	Lesley Carden	Leeds Beckett
	Dawn Culley	Teesside
	Rachael Devlin	Durham
	Richard Mangan	Leeds Beckett
	Mark Mullaney	Hull
Anita Northing	Leeds Beckett	
Paul Taylor	Durham	

1. Apologies for Absence

Apologies were as above. Peter welcomed the new members to their first meeting – Phillip Andrew, Julia Taylor and Anna White.

2. Presentation by Lorna Love and Freddie Spence of Lazy Days Foods

3. TUCO Update

It is hoped to hold a combined Conference/Competitions event some time around the beginning of September, depending on how the situation has eased regarding the pandemic.

Members discussed meetings going forward as and when restrictions begin to ease. Virtual vs Face to Face meetings – most people would be in favour of a mixture of both with possibly an overnight event once a year. In the meantime the virtual meetings were proving very popular and very useful.

4. TUCO Academy Update

Sarah explained that everything is now being done online. The Change Management session at the beginning of January was good for getting people back into the feeling of what the new normal will be like. More of these will be run. Level II Food Safety and Allergens are free of charge and we can be flexible on dates. Level III Food Safety and Allergens Refresher and Level IV Food Safety are all free of charge. This can tick your compliance boxes and is also good for mental wellbeing. The Social Media course on 16th February at a cost of £25 is now over-subscribed. On 17th/18th February is the Qualified First Aider for Mental Health at £200 charge. On 10th March is a Leadership day course and on 6th April a one day First Aid course for £25.

We will be rolling out e-Learning modules for 5 – 6 people within an institution (lasting between 10 to 20 minutes) to ascertain how people feel about returning to work. There are no plans at present to run any Development Days or Study Tours.

5. Procurement Update

Hannah reported that nothing new had gone live since the last meeting. New contracts being worked on currently are IFDC, EPOS and Waste. Annual Contract Review meetings are being held via MS Teams. We are looking at our documentation in line with Good Egg and are working with 'Food for the Brain' on the accreditation front. We are still being kept busy with our Further Competition service and are rolling out frameworks to the Local Authorities. Our Alcohol framework has been opened up to the Students' Union.

6. Member Updates

Newcastle College Group

Anna feels that meetings via MS Teams has been invaluable during the Covid situation. She is currently awaiting a decision from senior management as to the way forward this year. She has had a lot of Best Practice meetings during lockdown. They have also been busy looking at vending solutions and food parcel deliveries. She explained that her role is Group Procurement Manager, so she buys across the board but is interested in the food side, particularly the profit margins. However, all the local divisions are responsible for their own food buying.

Durham

Phillip is Operations Manager for Food and Beverage at the university. Currently on campus they have 1,100 students on a catered package and 900 in self-catering. Numbers are increasing every day by around 20 to 30 but things are going well. Some of the team are on furlough but some had to be kept on to service the students. Retail has been shut down completely.

Lincoln

Things are very quiet. They currently have 3 units open but this will go down to 2 the following week. Some students are back but keeping a very low profile.

However for Chris getting decisions made is proving difficult. They have got a Click and Collect service going and have started a delivery offering but all their mobile vans have been mothballed.

Sheffield Hallam

Darren reported a loss of around £1 million. They are planning their marketing and getting everywhere streamlined towards a return in September. They have also invested in some new kit for back of house. They are having a new atrium roof put on with a new outlet within the building. They are planning on 3 new outlets in around 4 years' time.

Newcastle

Julia explained that Steven is responsible for procurement in other areas apart from food and that she is in charge of hospitality. Numbers in Halls of Residence are normally 850 and they currently have 450 students who need to have their meals delivered to their rooms 7 days a week but they have turned this around quite quickly. The majority of staff are furloughed most of the time with only senior management in. There is a lot of voluntary work coming up on the delivery side and around 20% of the team have been moved into seconded roles in other areas of the university. On the Conference and Events side, they are very busy with bookings for events being held in 2022 and 2023.

Derby

Everybody in the department is on furlough apart from Richard and they are currently supporting a small nursery with meals during the week. On returning, many of the staff will be made redundant including the kitchen team – these redundancies will make them re-evaluate everything they do – the business model will certainly change. They will be keeping the catering in-house for the FE students. They will be losing their catering and hospitality courses but will be busy again with weddings when the situation allows.

Durham (Procurement)

Linda is busy in procurement doing a new tender for Vending and is evaluating responses at the moment. Catering Disposables and Water Coolers are new tenders she will undertake this year. They have extended the Water Coolers agreement several times as they have not had chance to do a new one. Their current providers are raising both Admin and Service fees to an unacceptable level but have to have the sanitization done to guard against Legionella.

Hannah advised that Crescent Purchasing Consortium have an agreement in place for Water Coolers and will forward Linda the link.

Action: Hannah

Sheffield

Peter reported that University of Edinburgh will not be doing any further face to face teaching during this academic year. He asked members when they are planning to get students back in as Sheffield may leave it until September now. He mentioned that they use Kinetics as their Events and Conference booking system and asked if anyone has any other system they use which they could recommend. Julia replied that Newcastle are also with Kinetics but are not completely happy with it as their customer service is poor and the university will soon be going out to tender on this. Richard will forward on details of a company he has been doing some work with. Oracle also have Conference and Events software.

The University Caterers Organisation

7. Any Other Business

Anna asked if there are any places where people are identifying innovation that they would be willing to share – ie new ways of doing things within the HE/FE sector.

8. Wine Pairing Presentation by LWC

9. Dates and Venues for Future Meetings

Members requested that our next meeting be scheduled for early April but after Easter – exact date to be confirmed.

TUCO Framework Report

About TUCO's framework agreements

We currently use 3 types of procedure under Public Contracts Regulations 2015

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

FCS

TUCO's Further Competition Service

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

TUCO run FCS across the TUCO agreements

Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.

Offering more value for members

After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.

The benefits

The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.

Alcohol

Supply and distribution of **Draught Beers & Cider (Lot 1)**, **PPS Beers & Cider (Lot 2)**, **Spirits & fortified Wines (Lot 3)**, **Core Wines and all wines (Lot 4)**, **One Stop Shop (Lot 5)** and **Independent Brewers (Lot 6)**
