Apologies as listed above. Ian welcomed Debbie and Nora.

2. Minutes of the Last Meeting

These were taken as agreed.

3. Presentation by John Broderick from Broderick's Vending

A copy of this is attached to these Minutes.

4. TUCO Update

Ian advised that Contracts Executive Carys Hopcyn has now left TUCO. All the TUCO staff are back full-time although working from home.

5. Procurement Update (Mandy)

TUCO White Delivery App

The standstill period has now ended and no challenges were received. Terms and Conditions are currently being negotiated with a view to the contract going live within the next few weeks.

Temporary Staff

Being retendered with plans to go Live on 1st October.

Food Waste Management

DPS due to go live 1st November. 10 submissions have been evaluated and Twp have just received the recommendation. Agreement includes the original 5 lots plus:

- Lot 1 On-Site Food Waste Innovation
- Lot 2 Waste Disposable Cups
- Lot 3 Waste Coffee Grounds
- Lot 4 Off-Site Food Waste Collection
- Lot 5 Food Waste Oil Collection and Disposal Service
- Lot 6 Catering Packaging Collection and Recycling Service
- Lot 7 Compostable Packaging Waste Collection Service
- Lot 8 Food Waste Management Systems
- Lot 9 Surplus Catering Equipment

Sandwiches

Utilising final year extension until 30th June 2022.

Soft Drinks

Utilising final year extension until 30th September 2022.

DipChem

Utilising first year extension until 14th December 2022.

Catering Light & Heavy Equipment

Utilising final year extension until 12th November 2022. We would like volunteers for the Tender Working Party.

Alcohol

Current agreement extended by 1 year until 15th January 2023.

Milk & Bread

The current agreement has been extended until 24th January 2022 whilst it is being re-tendered. The SQ is now live and returns are due back by 19th October. We would like volunteers for the Tender Working Party.

Fresh Seafood

Current agreement is to be extended until 1st May 2022. We are at the research and strategy stage. We are now looking for a member institution to cook off fish and seafood samples during the tender process. We also need volunteers for the Tender Working Party.

LIVE DPS NEWS - FOR ONGOING CONTRACTS

EPOS System

The tender process is complete, see website for details of suppliers. Re-submission from Access Group is being finalised with a view to them being accepted onto the agreement.

Kitchen Equipment Maintenance DPS

Two new suppliers have been added to the agreement: Sylvester Keal (Lots 1-6) CMK and Kitchen & Ventilation Specialists (Lots 4&5)

CICS (Catering Innovation & Concept Solutions) DPS

This agreement went live on 1st June and there are currently 25 suppliers on the DPS agreement. The SQ is now open for new and re-submissions from suppliers and will close on 18th November.

Temporary Structures

Members looking to book marquees for the remainder of this year and also 2022 are advised to start the process now as it looks like there may be double the amount of bookings in order to catch up on Graduations.

PRICE CHANGES

DipChem

Cetering24 and Bidfood have issued price increases which have taken effect over the summer. Stephenson's and Bidfood have requested price increases for September on some products. Annual price increases due December.

Catering Light and Heavy

Many suppliers have had to review their pricing (Bunzl, Brakes, Nisbets and Stephenson's) in light of increasing freight and raw material costs.

Soft Drinks

October is the annual price review time for soft drinks. Increases are expected from suppliers.

Alcohol

New price lists from most suppliers are effective from May (delayed slightly due to COVID)

Grocery, Frozen and Chilled

New Pricing due from 1st September 2021. Annual Review Meetings held. Oil prices and driver shortages are the biggest issues.

Meat & Poultry

Price increases from Solent Butchers (1st July – end September 2021)

Hot Beverages

New pricing due from some suppliers 1st September 2021

Vegan and Vegetarian

Vegetarian Express have requested price variations on certain products within their portfolio. The variations (mainly increases) will take effect from October 2021.

SUPPLIER UPDATES

Brakes

They have confirmed re-listing of all Linda McCartney range (Sausages, Mince, Burgers and Veggi Balls).

Pensworth/Kent Dairy

Four depots of Pensworth are now Kent Dairy, however since Pensworth still exists, the contract cannot be novated across. Affected depots would still be serviced and invoiced via Pensworth. The Milk and Bread is to be retendered in coming months so Pensworth and Kent can tender separately for that.

Heineken

Unable to produce stocks of John Smiths products due to nitrogen shortages – not because of nitrogen gas shortages but because of specialist nitrogen driver shortages.

Coca Cola

The new TUCO National Account Manager for Coca Cola European Partners (CCEP) is Steve Bradley. His contact details are available on the TUCO website.

Grocery, Frozen and Chilled framework update

Suppliers are struggling with the national driver shortage. This has resulted in them having to temporarily reduce the number of deliver days members receive and / or increase the minimum order. This is likely to continue into October at least. Members are asked to work with suppliers and support them at this difficult time.

Sandwiches update

- Roberts Bakery main sliced bread supplier to sandwich manufacturers – issue with production
- Dramatically reduced deliveries to sandwich manufacturers – majority of TUCO suppliers affected
- The Real Wrap received a fraction of their usual bread but this is now sorted
- Though suppliers have contingencies in place (frozen bread and secondary suppliers), there hasn't been enough to cover all orders. The Real Wrap appear to be the most severely affected at the moment.
- Kim is in touch with the majority of sandwich suppliers and getting day to day updates. Please contact Kim if you are having issues.

MARKET INTELLIGENCE REPORT

This is available online and covers:

- Individual Framework issues
- Driver shortages
- CO₂ shortages
- Supply chain issues – freight costs etc
- Procurement Regulations

The University Caterers Organisation

REVIEW MEETINGS

Hot Beverages - Annual review meetings held in August

Fruit and Veg - September

Soft Drinks - October 11th

Vending – November

DipChem – December

NEW PRODUCT DEVELOPMENT

TUCO now have an NPD page on the website for suppliers who do not already have a route to market and for current suppliers who can upload new, innovative lines. For details of NPD products and to request samples, please visit the website. Products for September will come off this week and October samples go live on Monday.

NPD Sampling Group

Kim Ashley is setting up a sampling group to test NPD and complete feedback forms to suppliers. Looking for volunteers to be members of the group across catering/bars and retail.

Quarterly Spend and Savings Reports have been circulated. If you have any queries or are missing any spend, please let Mandy know. mandy.johnston@tuco.ac.uk

VFM Reports will be released next month.

Kinetic Update

Jane attended the Framework Working Group Meeting for Accommodation/Catering Solutions. This came about as the result of the issues members were experiencing with Kinetic. Demos from potential tenderers have been scheduled for Oct/Nov 2021.

Market Research is continuing together with the Strategy Document. Work has started on the Invitation to Tender documents. Information from the demos will be fed into the documents.

We are currently looking at 4 Lots:

- Lot 1 Student Accommodation Management System
- Lot 2 Conference/Events Management System
- Lot 3 Catering Management System (delivered catering)
- Lot 4 One Stop Shop

The above Lots may change as a survey is being sent out to potential users for feedback.

We are looking for volunteers for our Tender Working Party on this.

6. TUCO Academy

Face-to-face courses have taken place at RNCM amongst others for L3 Allergens, Customer Service and L2 Food Safety. Before these could take place a Risk Assessment process against COVID had to be done. Other on-site courses include:

- L3 Refreshers
- L2 and L3 Food Safety
- Customer Service
- L2 Healthy Food and Special Diets
- Allergens
- HACCP
- Mental Health
- L3 Supervising First Aid for Mental Health
- Menu Engineering
- Presentation Skills
- Mentoring

We also have several webinars coming up:

- Calorie Labelling
- Food Trends (run by the foodpeople) where 9 new food trends will be split down into 3
- Youth Nutrition
- Recruitment and Retention

The 'Veganuready' Innovation Day will take place on 11th November which will include plant-based products showcased by suppliers. Registration for this is now live on the website and addresses are needed to arrange the sending of samples to attendees.

We have two new 'plant-based' study tours in the pipeline:

- Newcastle 25th – 26th November
- London 1st – 2nd December

These will incorporate street-food, restaurant food and plant-based breakfasts and both are at a cost of £99.00 fully inclusive. We would therefore ask places to be restricted to two delegates per institution. We are currently awaiting confirmation on numbers then will be looking for a 'Plant-Based Champion' from each institution.

Our 'in-person' Winter Conference will take place on 8th/9th December at East Midlands Conference Centre, University of Nottingham with the theme of 'Food Trends'. This is to coincide with the release of our latest piece of research on trends and we will be bringing copies of the booklet along.

We have applied to be a member of the CPD Organisation so that members will receive points for attending such things as Academy courses, Conference etc.

Following a past study tour to California, we are now working with Menus of Change and their research collaborative.

7. Sustainability

At the recent TSG meeting there was a presentation from The Humane Society about the campaign to shift from animal protein to plant protein. They offered to share any business cases with members.

Net Zero Carbon

Bidfood have been contacting members to see what measures they have in place to reduce their carbon by 2050 as they want to work in line with them. Have members any strategies in place for this? And if so, are they willing to share with TUCO, other members and suppliers?

Menus of Change

TUCO are supporting Menus of Change instead of a catering accreditation. During a presentation from Matt Tebbit at Reading, he ran through the 24 principles that fit with most universities. You can be involved as much or as little as you like and can tailor it to your institution's own personal needs.

Agenda Items for the TUCO Sustainability Group

There was also a call out for member suggestions for Agenda items – these could include such things as Vegan and Vegetarian, or Plastics. Do members have any suggestions for what they want to see discussed at future TSG meetings?

MSC Audits

Audits for group members are currently being completed remotely, with a view to continuing this way once things have returned to normal. Initial audits would also be completed this way.

Ian wished to record the region's sincere thanks to David Nuttall for all his work both as Chair on the TSG and as a Board Director as he prepares to step down from his role as both later in the year.

8. Board Update

At the recent TSG we discussed the many accreditations which are out there. Ian explained that Chester have done a pilot with Kale Yeah! but the problem is that you can only really get to Level 3 as to get to Level 2 you need to have RSPCA accreditation which is very expensive and most suppliers are not going with this. Menus of Change is something that he will be championing at Chester. Upcoming events included the Winter Conference on 9th December in Nottingham and a combined Conference and Competitions event in July 2022 at Keele University. The new contract with LACA is proving to be a slow burner but TUCO will have a presence at the Main Event at NEC Birmingham in October.

9. Member Updates

Manchester

All the students have returned and everything is back to normal now. Everything is becoming very busy as more and more outlets are opening.

Bangor

Some outlets are operating reduced hours. They are still offering quarantine food for students who are self-isolating.

The main student bar has been refurbished and offers pleasant outdoor space. Some outlets which were closed pre-COVID are now being opened again.

Runshaw College

Everything is back to normal there and income has bounced back to pre-pandemic levels. They have the full 5,000 students back with no masks and no social distancing and so far there has not been any problems.

RNCM

They are restricting access to the building for students but last weekend welcomed their first external audience to a musical event. They have not re-opened their formal dining area. Currently trying to develop their Click and Collect but having some technological issues.

Harper Adams

At Harper they have more students than ever before, they also have a lot of catered students so that is busy.

UCLAN

Little to report at Central Lancs.

Queen's Belfast

Nora reported that some cafes are open and so far things are going OK.

Chester

Everything is open and students are back. Ian asked how people are getting on with recruitment and staffing. They have a large number of vacancies and the Agency cannot help. Ann added that Liverpool are very short-staffed and struggling at the moment. David commented that Harper Adams are by-passing their online university application process and asking people just to send in a CV. Joanne at RNCM has done the same.

Lancaster

They have a lot of vacancies but are struggling to recruit. Staff are back on campus. As from 6th September they have a new Associate Director of Sport, Helen Loftus, who has come from Leeds. Their Sports Centre has undergone two major extensions and expansions over the past couple of years. Week commencing Monday 4th October will be their Welcome Week.

NWUPC

They have two new Category Managers starting at the beginning of October along with a Membership Services Co-ordinator. They are currently in the process of moving offices over to the University of Salford.

10. Any Other Business

Members discussed the format of future meetings – it had been proposed to hold 2 virtual meetings per annum and 1 face-to-face which would include a networking event. Angela would like to see guidelines on social distancing etc still adhered to at a future meeting venue.

She asked Mandy about minimum order values given the recent supply problems. For example, if a member submitted an order above the minimum value but several items were out of stock meaning that technically they did not meet the minimum order criteria, would they be penalized?

Mandy confirmed that if your original order met the minimum order criteria then you would not be charged. If anyone is subjected to a charge then please inform Mandy.

A TUCO Online User Group would be held in the near future.

11. Dates for Next Meeting

The next meeting will be scheduled for some time in January 2022.

About TUCO's framework agreements

We currently use 3 types of procedure under Public Contracts Regulations 2015

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

FCS

TUCO's Further Competition Service

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

TUCO run FCS across the TUCO agreements

Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.

Offering more value for members

After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.

The benefits

The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.
