TUCO Scottish Regional Meeting

Tuesday 30th November 2021 at 2:00 pm via MS Teams

MINUTES

Attendees:	Ian Macaulay [Chair]	Edinburgh
	Mike Belton	Calmac Ferries
	Diarmuid Griffin	City of Glasgow College
	Judith Hoyle [Sec]	TUCO
	Elaine Hutton	Ayrshire College
	Catriona Lawson	APUC
	Louise Levens	APUC
	Scott Masterton	Glasgow
	Steven McKay	St Andrews
	Sarah McLoughlin	TUCO Academy
	Stuart McMaster	Calmac Ferries
	Nicola Mellor	TUCO Contracting
	Graham Paterson	Strathclyde
	Kate Quinn	Aberdeen
	Alan Riddell	St Andrews
	Laura Shaw	Strathclyde
Jane Speirs	Ayrshire College	
Ester Vasallo	Forth Valley College	
Apologies:	Andy Anderson	APUC
	Mark Donovan	Aberdeen
	Matt Gilmour	UWS
	Fiona Hughes	Strathclyde
	Calum MacLachlan	Aberdeen
	Mark Nixon	St Andrews

1. Apologies for Absence

Apologies as listed above.

2. Presentation by Debbie Langford from Love Joe's

A copy of this presentation is attached to the Minutes.

3. Member Updates

Ian asked members who had catered halls what arrangements they were making. In line with new UK wide travel requirements, to have a PCR test within two days on arrival in UK, The University of Edinburgh, is going to advise students it is their choice to travel and they will not support this isolation period when waiting on PCR results.

However, if they subsequently test positive and need to isolate then they will provide them with food parcels. Examinations are 100% online.

It appeared that nobody is back to 100% of their income compared to pre-pandemic days. Diarmuid reported that the plan at City of Glasgow was to open up their training bistro next week for classes and a lot of their practical classes are back to fully occupied. As of today, they are due to open back up but this may change. They did experience a lot of footfall during COP26. They have been offering silver service meals for £4 to give students the experience. Diarmuid expects things to be reversed until after Christmas.

At Glasgow they have just opened up the subsidiary company restaurant. Scott is hoping that events will return to normal but they are now putting things on hold until after Christmas. Only around 6 or 7 of their outlets have opened.

At St Andrews Alan is having problems with staffing. Students recently held an impromptu ball following which there was a large number of isolations. They are advising students not to travel and exams will be held online.

Edinburgh are waiting to see what the effects of the new Omicron strain will be. Although sporting events are taking place there is a limit on the number of students who can be in a lecture at any one time.

Jane at Ayrshire reported that it has been difficult to get the students back in so they have been running special promotions in their refectories but are unsure of numbers. Most institutions are suffering from recruitment challenges.

Strathclyde have 80% of their original staff base but are only at around 20% of their usual sales. They are close to the city centre and therefore have a lot of competition. If they close more outlets they will have an excess of staff.

Ian asked if anyone had had any supply issues. Steven replied that at St Andrews there has been short-notice changes mainly in plant-based and gluten-free products. This is due to a combination of raw material shortages and people shortages. He does not feel that things will settle down for another few months yet. Minimum order levels are £100 for Brakes and £150 for Bidfood.

Stuart advised that CalMac are suffering with lack of stock and the main problem is with non-food items such as disposable cups, particularly the 12 oz size for their hot drink provision. Supplies from Vegware and other compostible products have been affected. Ian suggested trying other suppliers on the framework, especially given their requirements. Earlier this year and particularly in September, their footfall was almost back to pre-pandemic levels.

4. TUCO Framework Updates (Nicola)

Several tenders have just been awarded or in the process of being finalized.

TUCO White Delivery App: hoping to be finalized this week.

Temporary Staffing: This went live on 1st October but all companies on the framework have been hit by a lack of available temporary staff.

Fruit & Veg: A pre-tender survey has gone out for member feedback.

Food Waste Management: This was launched on 1st November and is a DPS so new suppliers can be added at any time. Details are on the website.

Soft Drinks: This has been extended until September 2022. Annual review meetings were held in October.

Catering Light and Heavy: Contract review meetings have been held and it appears that there are a lot of supply chain issues.

EPOS Systems: This is a DPS and has two new suppliers on there – Uniware and Zonal.

Catering Innovation and Concept Solutions (CICS): This is also a DPS system and four possible new suppliers are currently being evaluated. The next date for admissions will be 18th February.

Milk and Bread: Out to tender and due to go live end January.

Meat and Poultry: Second stage tenders being evaluated.

Design and Installation for the Customer Experience: Nicola is currently researching this.

Fresh Fish and Seafood: This is currently being re-tendered.

Price Increases

Increases are due on the DipChem framework and there were increases on Soft Drinks as from October. Significant price hikes are due on Grocery, Frozen and Chilled as from January. Blakemore are predicting a 4% increase, Brakes 3.2% and Bidfood 2%. Hot Beverage will see a big increase on coffee beans with Bewleys predicting an 18% raise on coffee products and 9% on syrups etc. The effect on the price of a cup will be around one to two pence. On the Fresh Fish and Seafood there will be new prices available for Stickleback Company.

Nicola has asked suppliers to let members know of any price changes. All details of new pricing are available on the TUCO website.

5. APUC Report

Fruit and Veg: Extension letters have gone out to all suppliers. This will now run to 19th December 2022. The re-tender process will commence in late Spring.

Fresh Meat: This will have its final extension in March 2022 until March 2023. There have been price increases from Campbell Brothers which came into effect on 8th November.

Bakery Products: Big Bite Catering are currently serving their 30 Day Notice Period due to lack of orders.

Dairy: This went live in October for a period of 2 years with the option to extend for a further 2 years. Grahams' packaging is now from 100% recycled products and they are also looking at cardboard packaging for milk products.

Disposable Paper Products: This was due to expire in April 2022 but has now been extended to finish in July. The re-tendering process for this has now commenced.

Sustainability: APUC have now gone live with the independent sustainability ratings company EcoVadis. Regarding single-use plastics, the Scottish Government have confirmed that regulations introduced last year will come into effect in June 2022.

The impact of Brexit and COVID-19 Supply Chain issues continued to be monitored with all key suppliers.

APUC are currently working on finalizing their Management Information spend reports.

6. TUCO Academy Update

Sarah has been running quite a few online courses which have qualifications attached. These were made possible by volunteer Invigilators from within our members. She has run face-to-face courses in Cardiff, Huddersfield, RNCM, Sheffield and Cambridge. The cost for a Level 2 qualification is just £15 which covers the cost of the qualification.

We have a Level 4 Food Safety course coming up in January and Refresher courses are all free of charge. We are just six short of 800 qualifications gained over the past 3 years with many of these during lockdown. Members can also have bespoke courses delivered at their institutions. Courses available include:

- Level 4 Food Safety
- Level 2 and 3 Customer Service
- Healthy Foods and Special Diets
- First Aid for Mental Health
- Allergens and HACCP
- Change Management
- Leadership
- Mentoring

Planned Vegan study tours have now been postponed until March – Newcastle (15th to 16th) and London (30th to 31st). We are continuing with our webinars and are available soon afterwards to watch at members' leisure. We are holding another Innovation Day on Food Waste in conjunction with WRAP as well as a Plastics Update. We also have a webinar planned on Youth Nutrition.

The Global Food Trends Report will be launched at our Winter Conference and 3 webinars will be delivered by Charles Banks and the team at thefoodpeople on 13th, 15th and 17th December.

On 19th January 2022 we will be holding a webinar on calorie labelling ready for the new legislation coming into effect in April. We also have plans for a further Innovation Day on Food Technology.

The second Masters Degree cohort all passed and will be graduating next year. The third cohort will be commencing their course in January 2023.

We are working with Menus for Change and the Culinary Institute of America. This is suitable for all our members as you can tailor it to suit your individual needs.

Our Winter Conference is being held in Nottingham on 8th and 9th December. There will be an evening dinner on Wednesday 8th followed by the day event on the Thursday. This will include such speakers as restaurateur Sat Bains, Charles Banks from thefoodpeople, Dawn Bowstead from Hospitality Jobs UK, Claire Roper from Quorn and Nadim and Tanya Ednan-Laperouse from Natasha's Foundation.

7. Sustainability

Matt Tebbit from Reading is the new Chair of the Sustainability Group, taking over the role from David Nuttall.

8. Board Update

Membership has grown with 11 new members – mainly Associates – and now out of our 627 members 28% are Full, 70% are Associate and 2% are Affiliates. We have a new procurement partnership with LACA and had a presence at their recent Main Event in Birmingham. We had forecast for our April to June income to be at around 10% of pre-pandemic levels but the actual was a much more promising 44%.

The Winter Conference is taking place at the University of Nottingham on 8th and 9th December. Our Summer Conference will be combined with our Chefs' Competitions and will be held at Keele University in July 2022. The venue for the Summer Conference 2023 will be St Andrews.

Ian asked members if everyone had now received their Value for Money Reports.

Alan explained that we are looking to do a Member Satisfaction Survey. He then ran through the financial situation – in 2019/20 Reserves were at £2.8 million and in 2021 they were £2.0 million. We have been carrying out interim audits.

Take up of ProcureWizard has slowed down recently so we are now targeting institutions with spend of less than £0.5 million.

The Apartment now has new tenants at an increased rent. Funding has been secured for removal of the cladding following the Grenfell disaster.

We have just employed two new Junior Category Managers who will take up their roles as from 1st December.

9. Any Other Business

Alan mentioned the possibility of re-commencing face-to-face meetings. Plans for 2022 are from the three Regionals to have two online and one in-person networking event. Some regions are already arranging their in-person meetings for next year. It is hoped that the Scottish region could hold theirs during the summer term.

10. Date for Next Meeting

Date to be confirmed for Spring 2022.

About TUCO's framework agreements

We currently use 3 types of procedure under Public Contracts Regulations 2015

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

FCS

TUCO's Further Competition Service

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

TUCO run FCS across the TUCO agreements	Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.
Offering more value for members	After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.
The benefits	The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.
