IT'S TIME TO BOOK YOUR PLACE AT THE

TUCO SUMMER CONFERENCE

The first in-person TUCO Summer Conference since 2019 kicks off at Keele University next month focusing on 'Breaking the Mould', encouraging members to think outside the box when it comes to addressing the challenges in-house university catering is facing today. With a packed programme of keynotes and events, all alongside a huge exhibition, it promises an amazing three days crammed with debate, discussion and invaluable networking.

2022 TUCO SUMMER CONFERENCE SPEAKERS

HELEN FOSPERO

Your conference host, Helen, is a well-respected TV journalist, known for her warmth and professionalism. She is a regular on BBC1's The One Show, and reports for Watchdog. Her career started in newspapers, and she became a correspondent and presenter of live rolling news for Sky and from there a host and newsreader on ITV's GMTV. Helen is equally comfortable with grilling politicians and those from the business world as she is with celebrities.
