TUCO North West Region Catering Group Meeting Thursday 7th July 2022 at LWC Drinks, Greenside Way Manchester MINUTES

Attendees:	Ian White [Chair]	Chester	
	Alison Bates	Manchester	
	Ann Bickerstaffe	Liverpool	
	Debbie Cramphorn	Keele	via Teams
	Joanne Dooley	RNCM	
	Nichola Gill	Manchester	
	Margaret Haynes	Lancaster	via Teams
	Judith Hoyle	TUCO	
	Mandy Johnston	TUCO Category Manager	
	Sarah McLoughlin	TUCO Academy	
	Paul Murphy	Edge Hill	
	David Nuttall	Harper Adams	
	Gary Pace	Liverpool Hope	
	Derek Rout	Bolton	via Teams
Adam Settle	Liverpool Hope		
Carol Yates	UCLAN	via Teams	
Apologies:	Jane Billows	NWUPC	
	Colin Burrow	Runshaw College	
	Angela Church	Bangor	
	Dominique Deveroux	NWUPC	
	Ros Wilkinson	Lancaster	

1. Apologies for Absence

Apologies as listed above. Adam welcomed everyone to LWC's new Manchester depot.

2. Minutes of the Last Meeting

These were taken as agreed.

3. TUCO Update

The main talking point at the moment is the forthcoming summer Conference on 25th to 27th July at Keele University. The date for the Winter Conference has now been set for Wednesday 30th November at Newcastle University with a networking dinner the previous evening. The TUCO Team will be vacating their current offices premises in October so new, smaller office space will be sought in the new year.

4. Procurement Update (Mandy)

The Category Team are being kept busy with tender renewals.

Fresh Fish and Seafood started in April and is due to go live on 14th August.

Grocery, Frozen and Chilled – new agreement from 1st April 2023.

Fresh Fruit and Vegetables – tender slightly delayed due to switching over from STS. The current Framework has been extended to 2 October 2022.

Design and Installation – ITTs submitted 30th June. The start date of the new agreement is planned for September 2022.

Sandwiches – this went live at the beginning of July and a list of suppliers on there is on the website.

Soft Drinks - the new tender is currently being evaluated to go live on 1st October.

EPOS – New companies have been added under the DPS system including Bleep, Datasim, Uniware and Zonal.

CICS - new suppliers added under the DPS include Bray Foods, Datasym UK Ltd, Deli Lites Ireland Ltd and Tanpopo Japanese Food Ltd.

Catering Light and Heavy – Preparation work is undergoing for the re-tender in November.

KEMS – Ovenclean have been removed from this framework at their own request.

Kinetics – Accommodation, Events, Catering and Hotel Management – the tender for this was due to start in April 2022 but has suffered slight delays.

Contract Review Meetings

Grocery Frozen and Chilled was held in May and Convenience Retail at the beginning of July.

Price Increases

Many have come into effect due to such things as cost of inflation, raw materials, cost of living, fuel hikes etc. Most frameworks have been affected, including Convenience Retail, Catering Light and Heavy (Churchill products), DipChem (Diversey have applied a 7% energy surcharge), Fresh Fish and Seafood (mainly the price of salmon). Hot Beverage price reviews are due in July and August. Meat and Poultry pricing will be reviewed on a monthly basis. On the Milk and Bread agreement price increases are being introduced quarterly instead of bi-annually. Sandwich suppliers have put up their prices as have Jane's, Bidfood and Brakes on the Soft Drinks framework. Chester have been experiencing problems with Britvic, they are still a TUCO Partner but it is proving difficult to get hold of a company representative. Margaret asked for more details on the DipChem agreement.

5. TUCO Academy

Sarah reported that things are getting busier and she is still doing a mixture of online and face-to-face, relying on member invigilators for the online. Earlier this week she had delivered a Customer Excellence course at Jodrell Bank and next week she would be at RNCM for Allergens training. Project Management has been put back to September. Other courses taking place are Level 2 and 3 Food Safety and Allergens, HACCP and an Environmental, Social and Governance course delivered by a person who use to run the Finance for Non-Financial Managers. The Visual Merchandising course on 23rd June saw 16 delegates on this for the morning session. By the end of August we expect to have delivered around 1,000 qualifications.

Development Days are coming back – we recently held Food Photography and a Food Waste Webinar was held on 30th June.

Also in June we held two very successful Vegan Study Tours - one in Newcastle and one in London. There was also a Study Tour to New York to the Menus of Change Summit Conference and it is hoped that this will become an annual event.

On 22nd – 26th August there will be the European Student Services Conference in Freiburg, Germany in conjunction with StudentWerke where speakers will include Peter Anstess. Cost for this will be £350 including all transport, accommodation, food etc. Ramco and Hobart will be hosting a sustainability study tour in Skegness on 15th and 16th September. We will be holding a Study Tour around Liverpool in March 2023 looking at food trends, particularly with the heavy African and Chinese influences. In January during ‘Grune Woche’ looking at sustainability and food.

We also have a bank of webinars – in September we will have one on Energy Use and Reduction in the Food Sector. Winter Conference will be held at Newcastle University on 30th November with Horizon Planning as the theme. Softbank Robotics will be doing a presentation on Robots for Hospitality along with 3D Bio-Tissues who will give a talk on Cultured Meat. Following the Conference, we will be holding a mini Study Tour around Newcastle University, looking at their micro-brewery set up by two former chemistry students

6. Sustainability

Menus of Change Study Tour – photos are available on our website along with details of the lectures. Harvard University have 3 restaurants on site with their menus based around the Menus of Change principles. We are hoping to do some training with them.

The next meeting of the TUCO Sustainability Group will be at the beginning of September by which time we are hoping to have moved ahead with our Sustainability Insights which will take the form of either videos or case studies (or both). For example, Chester will be showcasing two of their projects there – Garden to Table and their Beekeeping.

We are also hoping to give a new push to our MSC Accreditation, costs for which are currently £350 for 5 sites or less and £400 for six sites or more. Sustainability meetings with suppliers are being held separately from Contract Review meetings and there has been an increase in the uptake of NetPositive amongst our suppliers to 75%.

The Food Waste webinar at the end of June showed members how to use their Food Waste Contractor to measure waste. We are also putting details on ‘Guardians of Grub’ onto our website. Ian announced that he has a meeting planned with Reaseheath, their sister agricultural college regarding their ‘Garden to Table’ project. Reaseheath make their own butter and cheese and Chester would like to sell these products in their sustainable shop. Sarah commented that University of Reading have asked for training on making artisan bread and Harper Adams have someone who specializes in Bakery training.

7. Board Update

A discussion was held around TUCO moving out of National House and members felt that we should have some form of premises. The AGM will take place following the Conference at Keele on 27th July at which a motion will be passed to amend the Articles of Association around tenure of Board Directors. The Board are also looking to elect a new Vice-Chair.

8. Member Updates

Liverpool Hope

They are using the 'Deputy' time management system which is the same one as RNCM. Unions have become involved regarding the clocking in and out process but this does save a lot of man hours. They had trouble getting a good laundry service so have decided to build an in-house laundry which will save on costs in the long run. Gary reported that they were using Simply Lunch as their sandwich supplier but they regularly turned up late with deliveries. They took the decision to go back to Tiffin despite the quality of Simply Lunch's sandwiches being very good. They are currently carrying out an energy price review to decide whether to do Creative Campus next summer, to ascertain whether it would be financially worthwhile or not.

RNCM

They are busy doing a re-furb at the moment but have problems with staffing across the College in general. This covers Security, Front-of-House etc to the point where they are having to turn away business as they are not compliant from a Health and Safety point of view. Students from Manchester are coming to do a business model in the autumn. Jo has been forced to change the menu to more of a 'snack' offering due to rising costs and staffing issues.

Edge Hill

Edge Hill have employed a new Catering Manager who will hopefully commence in September. They are re-furbishing a coffee outlet and their main Servery. Fortunately, they have not lost any staff.

Harper Adams

David reported that they have a new V-C who is changing the culture of the university in a good way. Business is increasing but they are still struggling to get back to where they were. They are also looking at their vending offering. They used to have First Link Vending Consultants firm but when they went out to tender only Selecta bid for the business. As a result they are staying with First Link for now but are also looking at a couple of local firms. Mandy mentioned that Alpine Vending always put in a good bid and have just got in at Runshaw College. At Chester, Ian uses a company called Border who supply the machines and fill them and give Chester the royalty. Liverpool Hope did have Selecta but got rid of them as it was costing too much money so they currently have no vending. David is currently looking at a mobile food outlet. Edge Hill have just invested in a Pizza truck and Coffee truck which are both static. David has done a lot of research work on this so will share his documents with members.

Action: David

Liverpool

Ann is still having staffing issues at Liverpool. The Catering Department want to have a cart but they do not have the staff to run this. Their new V-C is starting in January 2023 and comes from the University of Birmingham. Their COVID Testing Centre was closed two weeks ago. They are currently recruiting for roles in both Sustainability and Procurement.

Manchester

They are busy with Conferences, Events and Hospitality so have outsourced to a couple of local caterers. Their North campus is closing down so everything will be moved to the Oxford Road area, with all outlets such as Starbucks now closed. They are using the Klimato App to monitor carbon emissions on all their food and menus.

Bolton

They are having a lot of summer schools this year and have been asked to open up outlets which are normally closed but they are having to pay for it so that cuts into the profits for the summer schools. They have recently brought Security in-house but are struggling to recruit Security Guards. No major re-furbs have been carried out. They have carried out a piece of work to look at how costs have risen since pre-COVID levels and the figure is around 22% so come September they will need to take a decision as to whether they pass this on. Labour costs have risen 10% and they use the Living Wage as a minimum – do they pass this on, or do they receive a subsidy this year?

Keele

Debbie reported that they have had several operational meetings with the Catering Team. They have also just won an award for Student Satisfaction.

UCLAN

During the following week they will be starting on the refurbishment of their main Harrington Refectory and the Foster Refectory will follow next.

Chester

Ian advised that they are two and a half years in with the new V-C and the new Team. Campuses are opening and shutting so the catering for them will be lost. The V-C wants catering to be at the forefront of making a good atmosphere. Conferences and Events are very busy.

9. Any Other Business

Members were asked if they had any preference on supplier presentations. They did not and were happy to receive presentations from a variety of framework suppliers.

10. Dates for Next Meeting

It is hoped to arrange our next meeting to coincide with the Brakes Food Event to be held at University of Chester around 12th/13th September. There may also be a networking event the previous evening with overnight stay as guests of TUCO. More details to follow.

About TUCO's framework agreements

We currently use 3 types of procedure under Public Contracts Regulations 2015

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

FCS

TUCO's Further Competition Service

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

TUCO run FCS across the TUCO agreements

Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.

Offering more value for members

After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.

The benefits

The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.

Alcohol

Supply and distribution of Draught Beers & Cider (Lot 1), PPS Beers & Cider (Lot 2), Spirits & fortified Wines (Lot 3), Core Wines and all wines (Lot 4), One Stop Shop (Lot 5) and Independent Brewers (Lot 6)

DCUK FM removed as declined to sign DPS agreement. Indepth removed as no longer wish to be part of agreement.

Overclean Ltd removed as they do not wish to extend the current DPS Agreement

Contract review meetings with top 4 spend suppliers (Collingham Catering Services, NWCE (North West Catering Equipment) Ltd, Thermoserv Ltd and TWO Services) have taken place in July. Suppliers all suggested business have grown through pandemic and contracts with TUCO members are going well. TUCO to follow up the NETpositive action plan progression with suppliers.

Retender of this Framework is under way, member survey is live for member to feedback and take part as TWP.
